6th ICEHTMC: Presentation of the event

Greetings from the 6th ICEHTMC Congress on Clinical Engineering & Health Technology Management-related issues 2025! The Program Organizing Committee (ICEHTMC 2025) is pleased to announce that the 6th ICEHTMC Congress will take place from October 17–20, 2025, in Shenzhen, China, widely recognized as the “Silicon Valley of China.”

Held every 2 years, the ICEHTMC World Congress rotates across continents to foster education, knowledge exchange, advanced training, networking, and career development. This prestigious event brings together global healthcare stakeholders to discuss research findings, benchmarking insights, best practices, and ground-breaking innovations in health technology – ultimately contributing to enhance patient experiences worldwide.

The 6th ICEHTMC 2025 will be an unparalleled gathering of Clinical Engineering (C.E.) professionals, innovators, and industry leaders from across the globe. It provides a unique platform for:

- Scientific program advancing the field of Clinical Engineering through insightful discussions and expert-led sessions.
- Exploring cutting-edge technologies and systems in A.I., Robotics, Disposables, Digital health, Metrology, Technology Management, Policy & Regulations.
- Engaging in invaluable networking opportunities with Manufacturers, distributors, and industry experts. Learn from site visits and exhibit hall.
- Participating in specialized events, including:
 - Parallel tracks filled with experts’ oral presentation
 - In-person Poster sessions
 - Global C.E. Summit
 - 10th Anniversary of Global C.E. week
 - Best C.E. competition
 - Annual Meeting of GCEA members
 - Manufacturers & Distributors Meet & Greet Program

A graphic featuring the ICEHTMC logo at the top center. Below it, the text "TOPICS include, but are not limited to:" is written in red. Underneath, a list of topics is presented in a white box with a red border, flanked by two vertical red pillars. The background of the graphic includes traditional Chinese architectural elements like a pagoda and a pavilion, along with stylized clouds and mountains.

TOPICS include, but are not limited to:

- Capacity Building in C.E.
- Digital Health, Artificial Intelligence, Cybersecurity, and Connected Devices
- Impact Measurement
- Credentialing and Accreditation
- Policy & Regulation
- Health Technology Management
- Health Technology Innovation & Assessment
- Alternative (Home) Care Technology
- Quality & Risk Management
- Women in Clinical Engineering
- National and Regional CE Societies
- Disaster Preparedness and Emergency Technology Deployment

6th ICEHTMC: Presentation of the event

For sponsor companies that are interested in reaching the wider global community of clinical and biomedical engineers, there are different options to support the event (expo area, sponsored workshops, printed and digital material, social events sponsorships, etc.). All details and conditions are in the next pages of this sponsor booklet and on <https://www.globalcea.org/icehtmc-2025-sponsorship>.

A wide audience of participants from all continents is expected to join the Congress, that is a unique opportunity comprising:

- Meeting global leaders in Clinical Engineering
- Global Clinical Engineering Summit
- Scientific sessions, round tables, open discussions
- Student paper competition
- Poster sessions and awards
- Expo area with new technologies and solutions.
- ... and much more!

As an International Congress, this event also presents a valuable opportunity for philanthropic engagement. We aim to support professionals from low-resource regions to participate in this important educational gathering.

We are calling on NGOs, foundations, and philanthropic organizations to consider sponsoring the attendance of these members, ensuring broader global representation and knowledge exchange within our community.

With an expected 1,000 professionals, ICEHTMC 2025 is more than a conference – It's the premier global gathering for clinical engineering professionals!!!

We thank you in advance for your support, and on behalf of the of the Program Organizing Committee, we send you our warmest regards.

Yadin David

President of GCEA

Chair of 6th ICEHTMC
